

Dear Prospective Head of School Candidate,

Thank you for your interest in the Head of School position at Christian Fellowship School. CFS has a thirty-eight year history of providing quality Christian education in the Columbia, Missouri area and has gained a local reputation as an excellent school, producing quality graduates. CFS is a ministry of Christian Fellowship Church, however, it serves students from over 35 different Christian congregations in the Mid-Missouri area.

Because CFS is a ministry of Christian Fellowship Church (CFC) and the Head of School position is of such significance, it is necessary that the person in this position is or becomes a member of CFC. While it seems only natural to expect a person leading one of the most significant ministries of a church to be a member of that church, we realize it will take discernment, wisdom, information, and much prayer for a candidate to make such a commitment. We trust that God will provide the person of His choice as we go through the selection process.

Please acquaint yourself with CFS and CFC by perusing their respective websites at www.cfsknights.org and www.christianfellowship.com. CFC has served the Columbia community for over 40 years and has grown to about 1,400 members with an average weekly attendance of 800 over three services (two services on Sunday mornings and a multi-lingual service on Sunday afternoons). We are a charismatic church with a reformed theological bent. We hold worship, prayer, community, diversity, and service as major values.

As you look through the information and application guide provided, I trust you will join us in praying for God's guidance. We are thankful for CFS's rich past and are excited about opportunities that are ahead. May God strengthen and guide us as we labor to equip this and future generations of young people for service in His Kingdom and for His glory through a community of grace where students are known and loved.

In Christ,

Phil Schaefer
President, CFS Board
Senior Pastor, Christian Fellowship Church
